Illinois Leads the Way! --

This is the 27th consecutive Illinois Shorthorn Show and Sale. In these 27 years, 1,311 1/3 head have grossed \$601,942 to average \$459!

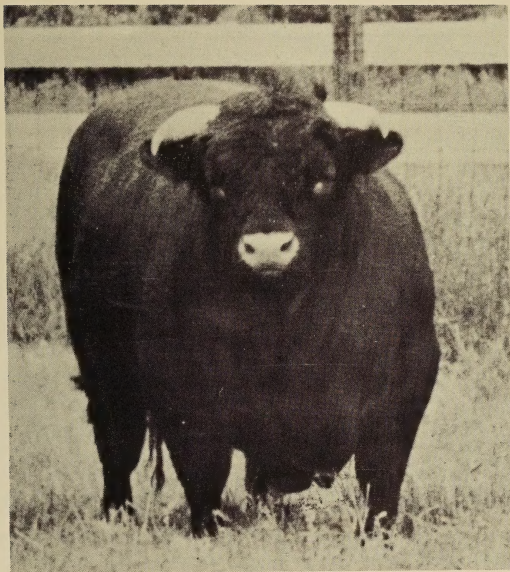

This is the second year that the Illinois Shorthorn Ass'n and the Illinois Polled Shorthorn Ass'n have held their sales jointly. Prior to that 58 Polled Shorthorn sales and 25 annual Shorthorn sales had been held. Today the far-sighted members of both associations have combined their sales to give the nation one central source to buy the best from both branches of our great breed.

Illinois is acknowledged the largest, most important Shorthorn state. It boasts more total head, more progressive-minded breeders, and more sale activity. Illinois is the only state with an active system of district Shorthorn associations, each with its own scheduled programs for breed promotion. Illinois fostered and pioneered junior association programs. And, here in Illinois, wise Shorthorn breeders with an eye on the future dig deep into their own pockets to help young people get started in fitting and showing Shorthorns. Here, too, the idea of national Shorthorn Lassies was conceived and put into action!

Armed with every fresh new concept in modern beef breeding and every up-to-the-minute tool available, Illinois Shorthorn breeders hold fast to their position of world-wide leadership. Cattlemen from all parts of the United States and foreign countries come to Illinois for what they want and need. Far-sighted people know that here they have the advantage of selecting from performance tested bulls, including many backed by official carcass evaluations.

Since the first Illinois Shorthorn and Polled Shorthorn sales were held, hundreds of the state's best have gone through the sale ring and out to improve the breed from coast to coast. Plan now to be on hand for this 27th consecutive event and share in the powerful offering presented by the nation's leading Shorthorn associations. Nowhere else are such high quality cattle offered so consistently.

Illinois: The Nation's Leading Shorthorn State

For 26 years the far-sighted Shorthorn breeders of Illinois have formed the nation's most active and progressive Shorthorn association. Their programs are among the most successful in the country. The state is consistently at or near the top in registrations and transfers with the national association. Illinois breeders have gone far and wide for the very best breeding stock available with the end result of producing some of the world's foremost Shorthorns.

Take Advantage of the Varied Services in Illinois

- ★ **CATTLE PLACEMENT SERVICE.** When selling or buying cattle privately, write your needs to Bill Van Meter, Elkhart, secretary of the Illinois Shorthorn Ass'n, or to Ed Long, 516 E. Monroe, Springfield, secretary of the Illinois Polled Shorthorn Ass'n. They will help find or place cattle for you at no cost.
- ★ **SALES.** The Illinois Shorthorn and Polled Shorthorn sales are traditionally the leading state association sales of each year. The many Illinois district associations also have active sales programs.
- ★ **SHOWS.** The Illinois state and county fairs annually provide some of the nation's biggest and best Shorthorn and Polled Shorthorn shows.
- ★ **JUNIOR PROGRAM.** One of the best in the country. A series of summer junior shows provides good experience for the junior member.
- ★ **PICNICS.** The state association and district picnics and banquets provide plenty of opportunity to see the leading herds of Illinois.
- ★ **LASSIES.** The ladies provide much good promotion for the breed locally and nationally.

S S F AUGUSTA LASS 8th — A thick, well-balanced, correct, broody daughter of the second-prize junior bull at the 1961 International, D F Principal Commodore. This heifer could be a good senior yearling next summer with plenty of size and bone. This is the kind of heifer we hate to see leave the place, but we are proud to keep up with the high calibre of the females at the Illinois State sale. This will be one of the good heifers to sell this fall. Augusta Lass 8th sells open and is calfhood vaccinated.
